

LEA Medi-Cal Billing Option Program 2009 Training

The California Department of Health Care Services (DHCS) will be conducting training for LEA providers that participate in the LEA Medi-Cal Billing Option Program. This training videoconference will be held on March 10th; you are invited to attend in-person at one of the six sites listed below, space permitting. The training is strongly advised given new LEA Program policy and procedures, as well as recent audit findings.

Topics will include:

- Overview of Reimbursable LEA Services
- LEA Program Billing Requirements
- Overview of Cost and Reimbursement Comparison Schedule (CRCS) and Updates
- Audits and Investigations - Documentation Requirements/Guidelines

Suggested Attendees: LEA Medi-Cal Billers and Coordinators

Date: Tuesday, March 10, 2009

Time: 9:00am – 3:00pm

Locations: Butte County Office of Education (COE), Fresno COE, Los Angeles COE, Mendocino COE, Stanislaus COE and the Sacramento area (TBD)

****Please note that limited capacity is available at the videoconference locations. Registration is on a first come first served basis. First priority will be given to school district and County Office of Education personnel.****

See the LEA training registration form on the LEA Program website (<http://www.dhcs.ca.gov/provgovpart/Pages/LEA.aspx>) for details on training locations and registration submission requirements.

Sign up to register for the LEA electronic mailing list at the LEA Program website. By registering, you will automatically receive e-mails to inform you when new or updated information has been posted to the LEA website.
